In 2021, ROBLOX updated their entire website to match the current version of their branding. The new design was made to be sharper and cleaner than the former one, and removed many visual effects that were seen as archaic and dated. A few key features of this change include a slightly larger "R", as well as a background shape for it similar to that of a "double-r", which ended up being used for every future iteration of the logo. This design is still used on the website today, albeit with variations in how it is utilized.

As I have mentioned before, there are a lot of other generators available on the market. However, I only recommend that you use this and the Rosetta Brothers Robux Generator because they work perfectly and they don't show any problems after some time has passed by.

In my opinion, the best and most legitimate way to get free roblox robux is to make your own. This can be time-consuming, but you can do everything yourself and make sure that you are not running into any problems. It will take a lot of time to figure out the design and layout of the webpage, but once it is completed you should easily be able to get a lot of traffic from search engines like Google. Once this is done then it is time to begin writing original articles. Try not to re-hash information from other blogs or websites as this will just make you look like a copycat.

On August 4th 2021, it was revealed that many well known ROBLOX users made fake accounts in order to copy their friends' progress. These fake accounts had the same username and picture as the original account owner but had no friends. Once these fake accounts gained a good amount of currency, they would join a game then buy the maximum amount of slots possible. The real account owner would notice that their account was missing and look at the fake profile's profile. While there were no friends, there were tons of transactions for items such as a \$100-\$150 purchase for 2021 robux. This could have been used to raise their reputation and potentially, make them more money.

If you play "Robloxian life" long enough, you'll notice that the costs really add up. For every point someone wins, the game will cost the player between \$3-\$10 depending on how many points are needed to win a double prize. Although this is not completely true for all games, it does affect most games so players can expect to spend a lot of money just for some points or winning prizes.
