Never share personal information with any website that requires it, especially when it contains your email address.

Mobile App: On September 5th, 2021, ROBLOX released their first official mobile app for iOS and Android devices. The app has various features such as the ability to customize avatars, the ability to chat with other Robloxians, even add people as friends. It also allows users to play games that they can't play on their website.

Roblox had an accident with the site in early July 2021 when it was down for several days causing some players to be unable to log onto their accounts and play. The site's status was displayed as up by Roblox staff after a few days but only some experienced players were able to log on within those few days.

In 2021, coinciding with their tenth anniversary, the company announced that it would be opening a second office in Europe, with partners located in London and Manchester who would "proudly represent" their games on the continent.

Rated 5 out of 5 by Anonymous from ROBLOX is the best game EVER There are so many games and places to go! You can create items to get robux, or you can get other games. Robux is used for buying more clothes and more games.

This method is similar to the last one but there are a lot of difference between this method and the last one too! The difference between this method and the last one is that this it will require a lot of time to complete and there are also some missions involved in this as well. In order to get free robux by doing the missions, you will have to complete the missions that are listed under tasks of your user account. You have to complete a lot of these tasks in order for them to complete and for this reason, it will take a very long time to complete. However, once you do all of the tasks that are assigned, you will get a lot of free robux and you can use them in order to buy some cool items or invest in weapons for your character.

This game has a lot of issues and some of them are not being fixed. 1, Roblox's profit issues are really bad, most of these profit issues are being given to travis, they give him most of the money even though most people have less than 5 dollars on their account. 2. There needs to be a code that places your character on trial for inappropriate content and it is not even against ROBLOX's rules but I am giving this code to you.

Even though ROBLOX replaced many of its assets with assets from Awaited Studios for being sued by Dr. J for copyright infringement, ROBLOX did not do this to avoid paying royalties for all of the money that was earned by users who were using their assets in other games.

Rated 5 out of 5 by Anonymous from love this game i love this game! it's really good for my age group, except the fact that you have to pay 30\$ or so to get wings which aren't even that good to begin with! they don't even fly that great, plus they only last for about 3 minutes anyway... other than that it's a great game!

You can't win. They're removing the only value in the game. When that happens it's going to turn into a giant useless wasteland of abandoned servers that will do nothing except make ROBLOX developers richer while people are kicked off for no reason because they don't have enough money to waste on fake money.

The site has been called "worthless" by users such as Brianna Wu, an independent games programmer and activist. She was also specifically referencing the site's lack of any kind of real economy.[10] There have been multiple instances where money and donations were sent to ROBLOX asking for some kind of update on a game which never came to life. She has asked for the company to be more transparent in regards to this situation and stated that she will not give them any more money until they actually deliver something.

Rated 4 out of 5 by Anonymous from This game was fun When I first started at roblox I was a bit confused because I did not know how to play it. After some minor confusion, I got the hang of this game and it was really fun! Rated 4 out of 5 by Anonymous from Alright This game concept is great but has a lot of ads which is very annoying. The gameplay kinda ruins the whole thing. All for the ads though. Rated 4 out of 5 by Anonymous from Amazing game Roblox is so much fun, almost like real life! The only thing I don't like is the suggestion for the game to make it more realistic, but that's just my opinion. I think this app could be a 5/5 but unfortunately there are a lot of annoying ads. Rated 4 out of 5 by Anonymous from add more features I would recommend this app to other people because there's a lot of different games and you can play them all. I give this app 4 stars because there's only one problem the app keeps on closing on an add opens up I end up getting logged off and then I

have to log back in again and then I start the game over the add pops up again so you can't play with out the game closing BUT besides that it's a great app! Rated 4 out of 5 by Anonymous from Sim It's a pretty good game, since I can pretend that it's real life. I don't like how you have to download things, though. There are also a lot of bugs. Rated 5 out of 5 by Anonymous from roblox Roblox is the best game ever you can do so much with your imagination it's like real life. If you have a roblox account me and my friend joshdoe2021 will be happy to join your games and become your friend. But do not accept random people as friends because they will ruin your game. Rated 4 out of 5 by Anonymous from roblox review This is the best game I have ever played before it's like a real life adventure it's fun and you can play with friends and you get to be whoever you want. There are all kinds of concepts there's my little pony, space, adventure, roblox is awesome so get started I am telling you right now that this app was the best thing I've ever played before it's awesome! Rated 4 out of 5 by Anonymous from Add green locks I love this app because of how much fun there is! The green locks are one of my favorite features. I just wish you could edit your place in real time, like on ROBLOX. I have put a lot of work into my place and it takes forever to change when I travel there. Rated 5 out of 5 by Anonymous from roblox Roblox is awesome!!! The only problem is some glitches when I press play on them sometimes they won't work or crash. It's great!! And if you are reading this in 2021 roblox will be coming out for the Xbox! Rated 4 out of 5 by Anonymous from It's pretty good I can't play it at school tho because we can't get any data. i love the game but it's so frustrating waiting for more data usage. Rated 4 out of 5 by Anonymous from roblox It's so cool, I love that you can be whoever you want. I think you should make the game even go more places. I know there is a lot now but if it goes to much we could get bored of it. Rated 5 out of 5 by Anonymous from roblox review This game is so good and easy, but one thing is that sometimes it doesn't work and people don't know how to repair glitches Rated 4 out of 5 by Anonymous from roblox review The game is fun and i love the green locks! But there are glitches where sometimes the name or whatever you put in won't come up. Please fix this glitch. This game keeps me occupied when i am bored but is hard to play at school because there's no wifi. But its fun and addictive and i love it! Rated 5 out of 5 by Anonymous from roblox review I think roblox is a really good game .I think that you should add more then 4 players on a server because if u have 30 people that want to play you have 2 just sit there and off line and not know what to do. Like I said before more than 4 players on a server please. I also think you should add no lag and or slow down in the game or else it will be boring. Thank You Rated 3 out of 5 by Reviewer123 from Issues I love this game but there is problems. There is no chat bar it makes me mad because everyone talks with each other on mics and get mad at them for not being in game but they don't know because there's no chat bar.

From June 12th 2021 to July 30th 2021, the Roblox network was under a major DDoS attack from a group called "Apophis Squad". This group was demanding that Roblox pay 10 million US dollars into their Bitcoin account or they would continue to perform DDoS attacks on the site. They also threatened to kidnap staff members and steal their hair if ROBLOX declined their offer. According to Roblox, this group caused 3.7 million dollars worth of damage.[103] The group also began sabotaging ROBLOX's YouTube channel by uploading offensive videos and ads towards users who clicked on it, which caused the platform to ban the channel in July 2021.
