Builders Club Premium can be used in games greatly increasing the amount of Robux and/or XP a player earns by a given amount. If used, then Builder's Club is required to play those games. There are two types of premium features: content premium and currency premium. Content Premiums typically involves a single item or feature that changes the game mechanic, such as more life points and/or more room to build, or increased maximum health for monsters. Currency Premiums usually involve the addition of new items to the game that are only available through favorable conditions (for example, allowing players to purchase a specific item for Robux). Some Currency Premiums can also require membership in Builders Club.

The roblox fly hack is not an entirely trackable game. It has been used to cheat on the game, blow up your inventory with limitless weapons and even get the creator's account. The game uses a form of tracking that makes it possible for people to use loopholes in the system and also detect when someone is using these glitches. The creators of the game have done research into ways to combat this issue, however, no viable solution has been found thus far.
